Re: □2002 Q3, 12G, 30G, YE□

□

Dear Ms. Boyt: □

□

Enclosed please find comprehensive amendments to our 2002 October Quarterly, Pre-General, Post-general and Year-end reports. □

□

These amendments were prompted by letters from RAD and of our own internal review of our bank statements. The following corrections have been made. □

□

- The amended reports reinstate the January 1, 2002 opening cash balances of \$197,376.31, which was incorrectly changed on several of last year's reports. □

- The amended reports disclose interest earned and bank service fees previously unreported. □

- The amended reports correct several contribution amounts to ACPAC from our members and contributions made by ACPAC to candidates. □

□

The reports now tie to our bank statements, internal donor records, contributions listed by ACPAC on other committee's reports and our tax returns. The year-end closing balance of \$106115.91 is reflected as our opening balance in our 2003 mid-year report also being filed. □

□

If you have any questions about these amendments, please contact Craig Engle at (202) 775-5791 or Rozanne Andersen at (9-52) 926-6547, ext 132. □
